><p>When I wake up, I wish I didn't,
Being alone, being different,

>It's just not meant to be me.<p>

One step out of my house, I want to go back,
>My bullies always come in a pack.
My life is a living hell, no one can really tell.

I just want to be free, free from my misery,
>But no, Snotlout won't let me be.
Drawing and reading is just what I do,
>But everyone sees me as a fool.<p>

My head faces the floor, nothing more,
>Can't they understand how I was born?
They want people tough,

>But I'm just not enough.<p>

I wish I was like everyone else, but I'm nowhere near,
>Don't they know that I live in fear?
How much I want to kill myself, how I'm so sad,
>But sometimes, I get really mad.<p>

I sometimes don't care if I get beaten up,
>I never come out to the to the top.
The past comes back to me,

>It'll never leave.<p>

People don't want to know me,
>They leave me alone or ignore me.
I've had enough, people need to change,
>This is how I live, a living maze.<p>

No one knows my emotions, I don't let it show,
>I can keep things in, but nobody will ever know.
Everyday I wish my mum never left,
>She comforts me, she knew how I felt.<p>

I want to stay inside forever, I never want to go out,
>Inside my room, look at a wall, then pout.
I wanna yell at the top of my lungs,
>I wanna go and be free as I run.<p>

This is how it is everyday,
>The same routine, it doesn't change.
I've gotten used to it,

>But I've never liked the bullying one bit.<p>
